

ELIXIR FUND REGISTRY TESTING

The Elixir Fund is an organization that is dedicated to improving the comfort and care of cancer patients and their caregivers. **The Elixir Fund Registry** is an online registry that offers **gift certificates** from **local businesses** like yours for housekeeping, meals, transportation, financial services; any service or product that helps with a patient's day-to-day needs or provides the little extra comfort needed by those impacted by *cancer* and other *chronic illness*. Participating in the Elixir Fund Registry offers the potential to **grow your business** while helping members of your community.

TERMS

- There is no cost to the business during the testing phase except for the transaction costs such as credit card processing fees
- In the event that Elixir Fund processes any sales of goods or services for the business, Elixir Fund will remit payment to the business within 30 days of the transaction date
- The length of the testing will depend upon how many patients register and how quickly. We estimate that it will be a minimum of 6 months, but you can terminate your participation at any point for any reason
- After the testing phase has ended, if you wish to continue your participation, the Elixir Fund and your business will come to an agreement on a donation amount that will allow the business to continue its marketing and sales via the Elixir Fund web site
- The business must hold harmless and indemnify Elixir Fund for any claims arising from the content that the business posts on the Elixir Fund web site and any claims by third parties for that content or the transactions that are the subject of the business' marketing and sales on the Elixir Fund web site
- Elixir Fund will provide data protection services for online transactions through a third party vendor, but does not assume responsibility for technical problems or inadvertent release of any party's data
